

# ERRATUM

**This information applies to  
handheld unit's instruction manuals:**

## **Batteries included in the package.**

In the instruction manual of the following handheld units, the *Unpacking and Inspection* section erroneously states that spare batteries are included with the product.

- FOS-120A and FLS-130A
- FLS-230A
- FOT-10A, FOT-20A and FOT-30A
- FLS-110
- VCS-10
- VCS-20A

Each unit is delivered with the necessary number of batteries to operate it.
